

PRESENTS AND FLOWERS - Sister Mary Rita of Assumption Church, Kila, is giving presents by Rev. Charles Hayes, parish pastor, at a ceremony marking her golden jubilee in order of Missionary Service of the Sacred Heart. Gift to her many friends as well as school.

At HNC exercises

Legion medals go to Moore, Moran

J.E. Moore, Jr., and Ann Moran were the American Legion medals when the center of the American Legion High School was graduated last Friday night in exercises on the school grounds. The medals signify courage, competence, character, service and scholarship. Moore also received the award when he completed the eighth grade.

County offers reading course

Designed to stimulate reading interest and teach reading skills, an elementary grade summer reading program is to commence on June 6 at Hancock North Central School, Charleston, Mississippi.

Scholarship presentation set for Fri.

The Bay High Parents-Teacher Assn. scholarship, given annually to the student who, in the opinion of the faculty, will be most likely to succeed in the coming field, will be awarded during graduation exercises on Friday in the school's gymnasium.

KEESLER BID AWARDED

Henry Pomy, Inc., of Waveland, has been awarded a \$14,575 contract for the installation of a drain pump in the housing area of Keesler AFB.

The jury composed of Elmer Loder, Elmer Peterson, Lester Smith, Olander Shlyou, Clayton Loder, Casey Moran, James Holden, Paul L. Shaw and Leroy Lee with Terence Asher and Wilmer Loder as alternates, was hearing further arguments late Wednesday afternoon.

Investigation continued into the Friday night burglary of TG and Y Family Center in which an undetermined number of cash was taken after entry was gained through the roof and a floor model case opened with an oxyacetylene torch.

Three other robberies are also under investigation by Sheriff Loder's office. An elderly Pearlman couple, Mrs. and Mrs. Green White, were robbed of an estimated \$400 Friday by two men who had reportedly pointed the Green home about a month ago.

Loder said the pointers returned to the house Friday saying that they would like to give an estimate on some drainage work in the yard. While one of the men took the couple...

City Echoes

Miss Nancy Benham, who has been on sabbatical leave from her teaching duties in Carmel, Calif., will arrive today from a year in Europe and the Near East to visit her uncle and aunt, Mr. and Mrs. Carl T. Smith, until the first of June. The Smiths also will have with them for three weeks arriving May 28 their son-in-law and daughter, Lt. Comdr. and Mrs. S. P. Pasantino, and children. Commander Pasantino has been an engineering school for the Navy in Monterey, Calif., and they are en route to the next station at Norfolk, Va.

Harry Shattuck, junior of Millsaps College in Jackson, was home for the weekend to attend the Bay High School vespers as his brother, John, is in the graduating class, and the piano recital of his sister, Mary.

Mr. and Mrs. Joseph Sciffid are in Augusta, Ga., this week visiting their son and daughter-in-law, Capt. and Mrs. Carlo Sciffid and baby, Theresa, who are stationed at Ft. Gordon. Their son was recently promoted to captain.

LEGAL NOTICES

Lifted electors of the State of Mississippi for ratification or rejection in an election to be held on the first Tuesday after the first Monday in June, A.D. 1966, viz:

Amend Section 261 of the Constitution of the State of Mississippi of 1890 to read as follows:
"Section 261. The expenses of criminal prosecutions shall be borne by the county in which such prosecution shall be begun; and all fines and forfeitures shall be paid into the treasury of such county. Defendants, in cases of conviction, may be taxed with the costs."
BE IT FURTHER RESOLVED, That the Secretary of State is hereby directed to give the notice of election in the manner and for the time as provided by Section 273 of said Constitution, and a special election is hereby called and fixed to be held on the first Tuesday after the first Monday in June, A.D. 1966, for the purpose of submitting this and other amendments to the Constitution to the qualified electors of this state for approval or rejection; said election to be conducted and held as provided by law for statewide general elections.

Peer Times

Well, this is it, at least for most local students as graduation will shortly free them from studies for three months. One of the larger social affairs upcoming is the big senior party for Hay High graduates scheduled at Day-Woodland Yacht Club. There are always a few who will not leave school without a fight, as they are often the members they have depended on. But, we expect you'll have a better time at the Yacht Club and you will have a good many years before you have to say good-bye to the club. A wild, wild dance over to come out on the early morning may seem like a tempting way to celebrate, but you'll have more fun partying closer to home with the rest of your class mates.

Time to catch up on what some seniors plan to either do this summer or where they'll continue their education.

John Nelson is due congratulations having been awarded a scholarship to Pearl River Junior College on the basis of grades achieved on his A.T.C. test.

Some other P.R.C. bound are: John Hoffman, Ella Schuler, Grace Cox, Martha Rutherford, Robert Walker, Nancy Swords, Joseph Kingston, Dianne Bullock, Rosalee Lamberun, Danny Ramsey, Henry Pulizzano, Rosalee LaFornaine, Kay Jones, Mike Strong, Mary Adams, Tim Bentley, Johnny Miller and Bill Winters.

A few planning to enroll in University of Southern Mississippi, Hattiesburg, are: Andy Long, Barry Hill, Mimi Jett-Coy, Dale Russell, Sue Porter, Betty Gordon, Kathleen Maloney, Don Malena, Don Parker, Perry Gaudes, Chris Cave, Doug Packer, Wayne Oliver, Barbara Maczynsky, Paul Bailey, Lionel Foyard, and Nancy Daniel.

Lorraine de Montauda will enter Newcomb in September. David Williams, and Judy Landers, the University of Mississippi.

Norman Lamb and Jay Rutledge have decided upon LSU in Baton Rouge.

Mike Poindester will enroll in Michigan University after working at MTF during the summer months.

St. Joseph Center, Loretta Michel, is in line for get well wishes having been hospitalized at Hancock General last week. "Football Boy" resident, Joey Ziegler, will receive his high school diploma from St. John's in New Orleans.

Friends of Christy Steers got together and treated her with a surprise going away party at the home on Friday night. Enjoying chips, dips, cold drinks, etc. were Betty Beth, Vicki Schmitt, Cecile Crider, Stephanie Beth, Debbie McCullough, Betty Adams, Sarah Scruggs, Mike Cave, Jerry Roca, Clark Roca, Steve Nybo, Tom Boyd, Chris Steers and John Douglas.

Oliver and Brad Bellamy are both due get well wishes having been ill with camp throat.

And here we go again with Mike Perry's new from S.S.C. and S.J.A.

A dance is scheduled for Friday at the K.C. Hall for the benefit of J.E. Gym, music by the "Lion Sound".

Belated birthday wishes go to Jack Leary who made 16 on May 5, and to Terry Marshall, 16, on May 7.

Will someone please clear up this matter about Jack Leary and Mary Jo Jacob. They are not with the S.S.C. and the S.J.A. anymore.

Both Colleen and her boyfriend, Mike Florio, is leaving for Chicago.

The Mustangs played for a class last Friday night at the Peco. From all reports they did great.

The September class of S.S.C. also been having many parties since the week-end.

After Andy has been seen riding the roller around the Haywood, he who is his young passenger.

A wish saying that could be put into words: "People who lay out on the beach during the day should use sunscreen."

At the C.V.O. Dance held

They had a good time, but there were not many people. After the dance they should have a lot more publicity and have a little money. The band at the dance was the August.

Elizabeth Power, SJA member, is the representative for the SJA at the graduation. She was elected to the SJA at the graduation. She was elected to the SJA at the graduation.

We still haven't recovered from the last election and rumors about who's going to run for sheriff are already making the rounds. The grapevine has it that John Bortolone just might toss his hat into the ring.

Chris Bell, at one time an Echo employee, now demon reporter-photographer for a Hattiesburg, Ala., paper, is due to get well-wishes having injured his ankle last week, but he's at least able to get around on crutches.

Mrs. Eugene Davis hit the jackpot on Mother's Day getting not one, but two lovely orchids. One from Mrs. Davis, the other from her daughter.

Much belated anniversary greetings go to Mr. and Mrs. J.S. Daily who celebrated last month. As the 28th, we think.

Sorry to hear that two very good friends are hospitalized. Cyril Glover is in Hancock General suffering from virus pneumonia and Pat (Mrs. Larry) Smith is in a hospital in Gulfport Memorial.

From Egypt Rev. Bernard Schmitt writing to the Echo, had Glad, that he's not sure, but has a definite feeling that the next part of will will be Vira Nam. ... adding that once never have to leave home, even home to until you get far, far away.

MRS. J. H. ROMAN, JR.

Mrs. Roman tops garden club slate

Mrs. J. Harry Roman, Jr. was installed as president of Bay-Waveland Garden Club at its final meeting of the season last Thursday afternoon at the Garden Center.

Mrs. Robert D. Finley, Jr., retiring president, conducted the business session and Mrs. R.F. Gray installed the new officers.

In addition to Mrs. Roman they are Mrs. J.E. Vigorella, Jr., first vice president; Mrs. Phillip M. Kirby, second vice president; Mrs. Frank Miller, recording secretary; Mrs. George Soussan, corresponding secretary; Mrs. Phil Daniel, treasurer, and Mrs. Wanda Otto, parliamentarian.

Six new members were introduced. They are Mrs. William B. Schaefer, Andre Associates, John H. Cook, Frank Ryder and Walter Hays. Mrs. Roman was honored for the social hour. Addressing her were Mrs. R.W. Pigg, Phillip M. Kirby, Robert Hays, H.A. Ozenham, Richard Sollinger, R.J. Hien, Harold Powell, Joseph Kern, Jr., and Joseph H. Duggan. An arrangement of day lilies centered the tea table and spray of greenery and day lilies were used about the room.

Shower honors Miss McCullough

Miss Jo Ann McCullough, bride-elect of Donald Alphonse Cuevas, was feted at a kitchen shower Friday evening which Mrs. George Curry gave at the home of Mrs. Fred Curry on Highland Drive.

Yellow and white flowers were used in decorating. The shower was presided over by a cortege of white carnations and yellow carnations corsages were given her mother, Mrs. J.D. McCullough, and Mrs. Monroe Cuevas, mother of the prospective groom.

Guests included Miss Julia Blasco, Miss J.E. Langford, Frank White, Donald Caldwell, Camille Schaefer, Frank Logarde, J.E. Ervin, W.W. Chm-

MRS. BRIAN JAMES WATKINS

Miss Bounds and airman are married

Sewing bee planned by sodality

Mrs. Paula Darlene Bounds, daughter of Mr. and Mrs. Paul E. Bounds of Leesona, became the bride of Airman Third Class Brian James Watkins, son of Mr. and Mrs. E. J. Watkins, in a double ring ceremony at 2:30 p.m. April 23 at Union Baptist Church of Cooson.

Rev. Crawford Sullivan officiated before an altar adorned with an arch garlanded with ivy and backed by a hanging burlap of English dogwood.

Mrs. Brenda Bounds of Leesona, who was maid of honor for her cousin, Bridesmaids were Misses Betty Smith, Linda Ruth Bounds and Debbie Tice.

Larry Watkins was best man for his brother, Jimmy Soglin. Dan Welch and Dorville Spence were groomsmen and ushers were Paul Crocker, Larry Bounds, Wade Polk and Randy Bounds, brother of the bride.

Mrs. Cynthia Wynn was organist and Charles Bounds sang.

A reception took place afterwards in the church parlors. The girls were Misses Marilyn McCall, Linda Fleming and Lynda Mero. The couple left later for a wedding trip to the Gulf Coast.

The bride, who attends Pearl River Junior College, will join her husband near mouth of Grand Porton, N. Dak., where he is stationed with the Air Force.

Applications of local interest for marriage licenses issued during the last week by Circuit Clerk James G. Givens as follows:

Carroll Joseph Lister and Brenda Sue Hyde, both of E. L. Pate Christian Church, Lumbert and Helen Elaine Jackson, both of Lumbert; Lewis John Rasmussen, Jr., and Pamela Louise Galt, both of Waveland; Peter Paul of Waveland and Mrs. Margaret Bann of New Orleans.

Picnic forms newcomers project

A picnic, scheduled for Wednesday, June 8, at a time and location to be announced later, will replace the June session of the Bay St. Louis Newcomers Club, Mrs. Glen Virginia, vice president, and program chairman, reported Tuesday.

In an effort to provide activities to meet the approval of all members, Mrs. Clarence Evers, president, has indicated plans to call for an

application of license. The picnic will be compared and used as a base for fall activities.

Other candidates, James W. Bailey and Paul Carpen-

are also running for the post of president of the club. Mrs. Glen Virginia has announced the club of newcomers will replace business sessions during summer.

Newcomers to the club are wishing to join the group may contact Mrs. R. Parkman at 467-3544.

PLAN OF DESEGREGATION

PLAN OF DESEGREGATION

FOR THE

BAY ST. LOUIS MUNICIPAL SEPARATE SCHOOL DISTRICT

of Hancock County adopted by the Board of Trustees and approved by the United States Department of Health, Education and Welfare, Civil Rights Act, 1964.

This notice is made available to inform you about the desegregation of our schools. Keep a copy of this notice. It will answer many questions about school desegregation.

1. Desegregation Plan in Effect

The Bay St. Louis Municipal Separate School District of Hancock County is being desegregated under a plan adopted in accordance with Title VI of the Civil Rights Act of 1964. The purpose of the desegregation plan is to eliminate from our school system the racial segregation of students and all other forms of discrimination based on race, color, or national origin.

2. Thirty-Day Spring Choice Period

Each student or his parent, or other adult person acting as parent, is required to choose the school the student will attend next school year. The choice period will begin on April 28, 1966 and close May 27, 1966.

3. Explanatory Letters and School Choice Forms

On the first day of the choice period, an explanatory letter and this notice will be sent by first-class mail to the parent, or other adult person acting as parent, of each student then in the schools who is expected to attend school the following school year. A school choice form will be sent with each letter, together with a return envelope addressed to the Superintendent. Additional copies of the letter, this notice and the choice form are freely available to the public at any school and at the Superintendent's office.

4. Returning the Choice Forms

Parents and students, at their option, may return the completed choice forms by hand to any school or by mail to the Superintendent's office, at any time during the 30-day choice period. No preference will be given for choosing early during the choice period. A choice is required for each student. No assignment to a school can be made unless a choice is made first.

5. Choice Form Information

The school choice form lists the names, locations and grades offered for each school. The reasons for any choice made are not to be stated. The form asks for the name, address and age of the student, the school and grade currently or last attended, the school chosen for the following year, the appropriate signature, and whether the form has been signed by the student or his parent. Any letter or other written communication which identifies the student and the school he wishes to attend will be deemed just as valid as if submitted on the choice form supplied by the school system. The names of students and the schools they choose or are assigned to under the plan will not be made public by school officials.

6. Course and Program Information

To guide students and parents in making his choice of school there is enclosed in the notice a list of courses which are offered only at certain schools together with the names of the schools at which the special courses are offered. If any additional information is required concerning these special courses, please contact the administrative office of the Bay St. Louis Municipal Separate School District. If a student desires to be enrolled in a course not offered in all schools in the system during the year commencing September, 1966 he shall have the right to apply for enrollment in the particular school offering the special courses even though the particular grade in which he is enrolled is not a desegregated grade for the school year commencing September, 1966.

7. Signing the Choice Form

A choice form may be signed by a parent or other adult person acting as parent. A student who has reached the age of 15 at the time of choice, or will next enter the ninth or any higher grade, may sign his own choice form. The student's choice shall be controlling unless a different choice is exercised by his parent before the end of the period during which the student exercised his choice.

8. Processing of Choices

No choice will be denied for any reason other than overcrowding. In cases where granting all choices for any school would cause overcrowding, the students choosing the school who live closest to it will be assigned to that school. Whenever a choice is to be denied, overcrowding will be determined by a uniform standard applicable to all schools in the system.

9. Notice of Assignment, Second Choice

All students and their parents will be promptly notified in writing of their school assignments. Should any student be denied his choice because of overcrowding he will be promptly notified and given a choice among all other schools in the system where space is available.

10. Students Moving Into the Community

A choice of school for any student who will be new to the school system may be made during the spring 30-day choice period or at any other time before he enrolls in school. An explanatory letter, this notice and the school choice form will be given out for each new student as soon as the school system knows about the student. At least seven days will be allowed for the return of the choice form when a choice is made after the spring 30-day choice period. A choice must be made for each student. No assignment to any school can be made unless a choice is made first.

11. Students Entering Third Grade

The parent or other adult person acting as parent, of every child entering the third grade, is required to choose the school his child will attend. Choices will be made under the same free choice procedure as choices for the school system in other grades, as provided in paragraph 10.

12. Choice of Second Choice

No choice will be denied for any reason other than overcrowding. In cases where granting all choices for any school would cause overcrowding, the students choosing the school who live closest to it will be assigned to that school. Whenever a choice is to be denied, overcrowding will be determined by a uniform standard applicable to all schools in the system.

may be denied for any reason other than overcrowding. In the event of overcrowding, choices made during the 30-day choice period will have first priority. Overcrowding will be determined by the standard provided for in paragraph 8. Any parent or student whose choice is denied because of overcrowding will be given a second choice in the manner provided for in paragraph 9.

13. Tests, Health Records and Other Entrance Requirements

Any academic tests or other procedures used in assigning students to schools, grades, classrooms, sections, courses of study, or for other purpose, will be applied uniformly to all students without regard to race, color or national origin. No choice of school will be denied because of failure at the time of choice to provide any record, birth certificate, or other document. The student will be tentatively assigned in accordance with the plan and the choice will be given ample time to obtain any required document. Curriculum, credit, and promotion procedures will not be applied in such a way as to hamper freedom of choice of any student.

14. Choices Once Made Cannot be Altered

Once a choice has been submitted, it may not be changed, even though the choice period has not ended. The choice is binding for the entire school year to which it applies, except in the case of (1) compelling hardship, (2) change of residence to a place where another school is closer, (3) the availability of a school designed to fit the special needs of a physically handicapped student, (4) the availability at another school of a course of study required by the student, which is not available at the school chosen.

15. All Other Aspects of Schools Desegregated

All school-connected services, facilities, athletics, activities and programs are open to all on a desegregated basis. A student attending school for the first time on a desegregated basis may not be subject to any disqualification or waiting period for participation in activities and programs, including athletics, which might otherwise apply because he is a transfer student. All transportation furnished by the school system will also operate on a desegregated basis. Facilities will be desegregated, and no staff member will be in his position because of race, color or national origin. This includes any case where less staff is needed because schools are closed or enrollment is reduced.

16. Attendance Across School System Lines

No arrangement will be made, or permission granted, by this school system for any students living in the community to attend school in another school system, where this would tend to limit desegregation, or where the opportunity is not available to all students without regard to race, color or national origin. Arrangement will be made, or permission granted, by this school system for any students living in another school system to attend school in this system, where this would tend to limit desegregation, or where the opportunity is not available to all students without regard to race, color or national origin.

17. Violations To Be Reported

It is a violation of our desegregation plan for any school official or teacher to influence or coerce any person in the making of a choice or to threaten any person with penalties or promise favors for any choice made. It is also a violation of Federal regulations for any person to intimidate, threaten, coerce, retaliate or discriminate against any individual for the purpose of interfering with the free making of a choice of school. Any person having any knowledge of any violation of these prohibitions should report the facts immediately by mail or phone to the Equal Educational Opportunities Program, U. S. Office of Education, Washington, D. C., 20202 (telephone 202-922-0333). The name of any person reporting any violation will not be disclosed without his consent. Any other violation of the desegregation plan or other discrimination based on race, color or national origin in the school system is also a violation of Federal requirements, and should likewise be reported. Anyone with a complaint to report should first bring it to the attention of local school officials, unless he feels it would not be helpful to do so. If local officials do not correct the violation promptly, any person familiar with the facts of the violation should report them immediately to the U. S. Office of Education at the above address or phone number.

18. Transfers by Students in Grades Five, six, eight and nine not Reached by Plan

The above grades will not be generally reached by the desegregation plan until the fall of 1967. However, a student entering any one of these grades in the coming school year, or his parent or other adult person acting as parent, may apply for transfer to any school in the school system. The application will be granted if: (a) The student wants to take a course of study for which he is qualified, and which is not available in the school he would otherwise attend on the basis of his race, color, or national origin; or (b) The student wants to attend the same school or attendance center as a brother, sister, or other relative living in his household who is attending school there as a result of the desegregation plan; and the school offers the appropriate grade; or (c) The student would otherwise be required to attend school in another school system on the basis of his race, color, or national origin; or (d) In case of compelling hardship; or (e) The student meets the regular requirements, having nothing to do with race, color, or national origin, used by this school in permitting students to transfer from one school to another. The regular requirements of this school system for student transfers are as follows:

A transfer application form will be sent to each student in grades five, six, eight and nine. A transfer application may be filed by means of this form or by a letter. Extra copies of the form will be available at all school offices. Transfer applications should be filed as soon as feasible after a student has information which justifies making an application.

In addition, all students who are entering this school system for the first time in a grade which is not generally desegregated, which will be followed when the grade is generally desegregated in the fall of 1967.

Area planners meet Tuesday

Three major plans are on the agenda for the May 22 meeting of the Mississippi-Louisiana Regional Planning Commission at 6:30 p.m. Tuesday at Amia's Restaurant, New Orleans, La.

A report is due on the development of the Department of Housing and Urban Development on the application for a planning grant. The 1967 operating budget will be presented.

FINISH AT MSU

Gerald Kennedy of Waveland and Alfred Wynn of Bay St. Louis are among the 270 candidates for degrees from Mississippi State University on Tuesday, May 31.

Gerald Kennedy, who holds a bachelor's degree in mechanical engineering, is a candidate for a master's degree in mechanical engineering.

In the machine shop, Kennedy was supervised by James J. Huggins and William J. Patterson, Jr. and in welding by Barry Lynn Farris and Roberts B. Henley, all of Bay St. Louis.

Public apathy noted by soil week sponsors

Grains in the Countrywide in the theme of this year's Soil Week, May 15-22, according to Otha Reaser, soil and water conservation director.

Other county conservationists are Hilton Shaw, Frank Lee, C.T. Fowre and W.A. Hays.

Grain is contributing factors to the erosion of the soil, the loss of topsoil, the loss of young people to rural areas, public indifference to conservation, the loss of natural beauty and lack of sufficient water within the country.

Mounting that big one

Most sportfishermen look for the fishing trip which lands the fish they always talk about. They dream of the size and have set aside a place of honor for it. When that happy day arrives, the main topic of discussion is mounting. As he heads back to the marina, everyone with him will have a story or two to tell. "You'll never get that one back," someone says. "I remember one time this guy (the always someone else) in these stories caught a beauty. It must have been 400 - 450 lbs. and over 5 feet. When he got it back, it was a fish short." And so the story goes, "It couldn't look natural. When you really get back to a picnic maul, it will deteriorate before you get it home."

You sit there looking at your dream fish and wonder. Even the same tankard can conjure up visions from some old horror movie. As the discussion continues, you sit and wonder should I or shouldn't I.

Realizing that many anglers will be checking their dream fish, we clipped in and talked to our local tankard. We talked about the stories that go around about mounting, and he suggested that we take a tour of the plant.

Fish tagged

There were some fishes coming in and we noticed that they all had tags. He explained that they were for identification and that a duplicate record is kept in the office in case the tag is lost. This system makes sure that the right fish ends up with the right fisherman.

The fish were then placed in a refrigeration unit. By doing this, the cold air slows down the deterioration process.

As we walked around, we came to where the plaster molds are made. It was explained that the first step in mounting is packing the fish in its best position and then a plaster of Paris mold of the fish is taken. The mold will be used later in the process as a case for holding the fish.

The next step was the plating room. Here the fish is de-fleshed. The complete head, fins and skin of the fish are removed and placed in a degreasing solution. After degreasing, which can last up to six weeks, the fish is placed in a preserving solution for a day. After the fish is removed from the preservative solution, the tankard is ready to reconstruct the fish.

Complete shell

At this stage of process, attention to detail and attention to construction are necessary to insure a good mount. The tankard placed the preserved elements of the fish into the plaster mold. He then covers the built-up process. Layer by layer of cardboard and glue are applied until the hollow shell is complete. The back is put in place and the fish is ready to be removed from the mold.

We moved along and watched some raw mounted fishes that were just removed from their mold - over the curing process. The curing room is temperature and humidity controlled. The temperature is kept at 90 degrees and the humidity as low as possible. The mounts are left here for a period of a few days to two weeks.

As we continued our tour, we came upon some mounts lying out in the open air. This is the next step in the curing process. The mounts are left to air dry for four or five weeks. After this, they are treated with a special prime coat which compensates for humidity variations. The prime coat also provides a proper surface for finishing and painting.

Tour ends

As our tour came to an end, we moved into the final stage of mounting. The prime department is made up of professional commercial artists. Here the fish are decorated according to their natural markings. The artists carry each type of fish to insure the authenticity of these markings.

The end of mounting a fish is about \$8 per inch. Other rates are quoted depending on color and weight.

As we left the plant, we were given a few suggestions for the care of the mount. One of the important precautions to guard against is heat. The mount should be placed where it is not in direct contact of the sun rays or heat. Drying will keep the mount looking new and preserve its finish.
